Are you going to depart soon?

Yes. I am departing earlier than I expected.
What about flower? Isn't he going with you?

He should be around the area, and we could go around and sell some stuff.

You are not good at negotiating.
You are only strong.
I am learning.

Hm

Didn't he say something about the products?
About the product?
Yes, those merchants at the capital city.

They thought that our product was high quality enough to present to the royal family, and praised us a lot.
Oh.
The roasters in our village are really great.

Knock
CHANG!

Who did you come here?
Rover! Welcome!

Hi...
I see I understood it incorrectly. Sisters are alike so...

It was too bad because you didn't come yesterday! Do you want to come in and have a cup of tea?
I'm sorry.

I'm going to leave soon...
Ah... Right, right. I keep forgetting.
Please wait. I'll pack you some food from yesterday.
I'm sorry.

Ah?

.....
What about your work? Are you still working at sheep farm?
Yeah. One of the sheep had a baby recently...
Ah, it's that mother sheep who has been troubling you~ Congratulations.
Thank you.

Ah?
Ugh

About Bern...
Huh?
Yeah.
Did you know that he is going to the capital city this time?

What?
Ah, as I thought, he didn't tell you.

Someone in a big merchant company contacted him in the capital city.

He was happy to sell the village products there.

That is what Born and you worked hard for, right?

He said that if you knew, you would be hurt, and wouldn't want to go.

The boy.

He remembered the time when he was working with his friend.

The beautiful landmark, the carpet and the dress which the village women made with their hands.

Then you mix all of it in a carriage, and go to another village or city to sell them.

The boy and his friend always rode the carriage together.

The boy who was good at talking trouble with people

And the friend who was strong with martial arts protected the carriage.

I'm sorry. Did I make you wait?

?

Here... I put a lot in, so please eat them. I put in honey wine, too. I made that myself.

Thank you, Christine.

It's nothing.

I was cared to the graveyard.

I see a light...
